You don't often get email from gershiels77@gmail.com. [Learn why this is important](#)

I am very concerned about the interaction of a mast at the end of Cranmer Road and Fog Lane.

I have Longcovid and have been ill, and I do not wish to live so close to a mast.

Many people would not purchase a house close to a Mast and it is unfair to a position it amid houses.

There are surely better locations not centred around houses.

Kind regards
Geraldine Shiels
