

Copyright in all documents and drawings prepared by the Architect / Technologist and any works executed from these documents and drawings shall, unless otherwise agreed, remain the property of the Architect / Technologist and must not be reproduced by, lent or disclosed to a third party without the written consent of Building Design Services (C)

All levels to be checked on site by the Contractor and any discrepancies to be referred back to the Architect / Technologist before proceeding with any work.

The positions and designation of any Manholes for Foul, Surface Water or Combined Drainage runs on site to be checked and traced by the Contractor, and confirmed prior to commencement of any new Drainage Works. Any existing drainage runs to which additional connections are to be made, to be checked as necessary to ensure they are suitable to accommodate any additional capacity and the type of effluent being connected.
