You don't often get email from naomi.roussak@hotmail.co.uk. [Learn why this is important](#)

To whom it may concern,

I am writing to **object** to the proposed 15m telecoms mast on Fog Lane (135908/tel/2023). I own and live at 32 Fog Lane.

MCC have a duty to place a mast in a location that has the least impact on residential households. MCC have not investigated any other locations that are less residential/more commercial and where a mast would have less of an impact on residential households. There are many other locations which are much more commercial elsewhere in Didsbury. Other locations have been discounted on the grounds that they are 'residential' - we are every bit as residential as they are. I therefore object this proposal and urge you to reconsider the location.

Regards,

Naomi Roussak
