Comment Reasons:

Comment: The new store will cause huge amounts of traffic to an already busy road with 3 Secondary Schools and a Primary school.

The land would be far better to build quality family housing for key workers. So many families are having to move out of Chorlton as 3 and 4 bed houses are too expensive for people in these jobs.

Many friends who are teachers, fire fighters and NHS staff have moved out of Chorlton as it's too expensive. These houses should be shared ownership and large enough for families with 3/4 children. It's such a shame many families who work in these front line jobs, love Chorlton & many cases lived here all their lives are having to move out when they have a family.
