Part 1 – Particulars of the application/development

Proposal: Installation of additional telecoms equipment on rooftop

Location: Rooftop At Clayton House , 59 Piccadilly , Manchester , M1 2AQ

Date of application: 9 November 2022

Application number: 134401/FO/2022

Part 2 – Particulars of decision

Manchester City Council gives notice that the development referred to in Part 1 has been **Refused** in accordance with the application and plans submitted for the reason(s) listed below.

Article 35 Declaration

Officers have worked with the applicant / agent in a positive and proactive manner to guide the application through all stages of the planning process and resolve any issues that arose in dealing with the planning application. Appropriate conditions have been attached to the decision to ensure an acceptable development.

Reason(s) for decision

1) The proposals would result in the proliferation of telecommunication equipment on the listed building and within the Stevenson Square conservation area. The antennas would be located in a highly visible location and would form an incongruous feature to the tall corniced chimney. This would have an unduly harmful impact on the visual amenity and character of the listed building and conservation area. There would also be a cumulative impact with the additional ancillary equipment and cabling. The proposal would result in less than substantial harm to the significance of the listed building and conservation area with the level of harm caused not being outweighed by the public benefits of the scheme which could be realised in a less harmful way. The

proposal is contrary to policies SP1, CC9, EN3 and DM1 of the Manchester Core Strategy (2012), saved policies DC18 and DC19 of the Unitary Development Plan for the City of Manchester (1995), Sections 16 (2) and 66 of (Listed Buildings and Conservation Areas) Act 1990 and the NPPF.

Date: 17 January 2023

2. If the applicant is aggrieved by the decision of the local planning authority to refuse permission or approval for the proposed development, or to grant permission or approval subject to conditions, they may appeal to the Secretary of State in accordance with Section 78(1) of the Town and Country Planning Act 1990 within six months of the date of the notice of the decision. However, if an enforcement notice has been served for the same or very similar development within the previous 2 years, the time limit is:

- 28 days from the date of the LPA decision if the enforcement notice was served before the decision was made yet not longer than 2 years before the application was made.
- 28 days from the date the enforcement notice was served if served on or after the date the decision was made (unless this extends the appeal period beyond 6 months).

The Planning Inspectorate have introduced an online appeals service that can be used to make appeals online. This service is available through the gov.uk website – www.gov.uk/appeal-planning-decision. The Inspectorate will publish details of your appeal on the internet. Alternatively If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State has power to allow a longer period for the giving of a notice of appeal but they will not normally be prepared to exercise this power unless there are special circumstances that excuse the delay in giving notice of appeal.

If you intend to submit an appeal that you would like examined by inquiry then you must notify the City Council (planning@manchester.gov.uk) and the Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. Further details are on GOV.UK.

4. If either the local planning authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that they can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase their interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990

5. In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to them. The circumstances in which such compensation is payable are set out in Section 114 of the Town and Country Planning Act 1990.
