Part 1 – Particulars of the application/development

Proposal: Installation of InPost parcel locker

Location: Co-Op, 135 - 141 Withington Road, Manchester, M16 8EE

Date of application: 12 December 2022

Application number: 135724/FO/2022

Part 2 – Particulars of decision

Manchester City Council gives notice that the development referred to in Part 1 has been **Refused** in accordance with the application and plans submitted for the reason(s) listed below.

Article 35 Declaration

The proposal would not improve the social and environmental conditions of the area nor does it comply with the development plan and therefore does not comprise sustainable development. Whilst alternative locations were suggested to the applicant following consideration they determined that no alternative location was feasible for their operation. There are no conditions which could reasonably have been imposed, which would have made the development acceptable and it is therefore not possible to approve the application.

Reason(s) for decision

1) The proposal would, by reason of its siting, scale design and materials, form an incongruous and obtrusive feature within the street scene to the detriment of the visual amenities of neighbouring occupiers and businesses. The development would thereby be harmful to the character and visual amenity of the Whalley Range Conservation area and be contrary to policies SP1, EN1, DM1 and saved policy DC18 of the Core Strategy for the City of Manchester, and the National Planning Policy Framework.

2) The proposed development fails to provide sufficient arrangements for parking of vehicles to facilitate the servicing of the InPost unit or for customer collection and drop off. The unit is proposed remotely at the furthest most point from the CO-OP car park on a section of the building that has no parking at any time restrictions, and is immediately adjacent to additional restricted markings serving the pedestrian crossing. The additional parking demand to be generated, in an area that suffers a high demand for parking, would exacerbate on-street parking difficulties and localised traffic congestion, to the detriment of both pedestrian and highway safety within the vicinity of the site. As such, the proposal is contrary to policies DM1, T2 and SP1 of the Manchester Core Strategy and the National Planning Policy Framework (NPPF).

Notes

1. This decision relates only to that required under the Town and Country Planning Act 1990 does not include any consent or approval under any other enactment, byelaw, order or regulation.

2. If the applicant is aggrieved by the decision of the local planning authority to refuse permission or approval for the proposed development, or to grant permission or approval subject to conditions, they may appeal to the Secretary of State in accordance with Section 78(1) of the Town and Country Planning Act 1990 within six months of the date of the notice of the decision. However, if an enforcement notice has been served for the same or very similar development within the previous 2 years, the time limit is:

- 28 days from the date of the LPA decision if the enforcement notice was served before the decision was made yet not longer than 2 years before the application was made.
- 28 days from the date the enforcement notice was served if served on or after the date the decision was made (unless this extends the appeal period beyond 6 months).

The Planning Inspectorate have introduced an online appeals service that can be used to make appeals online. This service is available through the gov.uk website – www.gov.uk/appeal-planning-decision. The Inspectorate will publish details of your appeal on the internet. The Secretary of State has power to allow a longer period for the giving of a notice of appeal but they will not normally be prepared to exercise this power unless there are special circumstances that excuse the delay in giving notice of appeal.

In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase their interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990

5. In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to them. The circumstances in which such compensation is payable are set out in Section 114 of the Town and Country Planning Act 1990.
