

Project: **New Moston Primary School – Kitchen Extension**
Job no: 11343
Date: March 2023
Title: **Condition 12**

Wording of Condition 12:

Notwithstanding the information provided within the waste management strategy, stamped as received on the 20 May 2022, by the City Council, as Local Planning Authority. Prior to the occupation of the development further details are required and shall including the following:

*Estimated volumes and types of waste produced by the development;
Details of internal and external stores for both waste and recycling, including any plans and designs;
Location of the proposed collection point and details of the route the collection vehicle will take;
Details of how waste will be transferred between stores and to the collection location;
and
Details of number and capacity of bins proposed and collection frequency.
A plan showing the location of waste bins for the development.*

The following information has been provided by the School to address the requirements of condition 12.

1. Drawing provided marks out the location of the waste bin collection point and the store area for the bins (same location).
2. The collection vehicles will access the area via the existing internal service ramp.
3. At present, the school has the following bin provision on site (photograph provided illustrates this provision):
 - 2 number Paper/cardboard bins, each bin 1100kg. Emptied weekly during term time.
 - 5 number General Waste, each bin 1100kg. Emptied weekly during term time.
 - 2 number Food Waste, each bin 240litres. Emptied weekly during term time.
4. The kitchen extension will utilise the following bins in addition to the above:
 - 1 number paper/cardboard bin, 1100kg. Emptied weekly during term time.
 - 1 number mixed recycling, 1100kg. Emptied weekly during term time.
5. The kitchen extension will be using a 1100kg food waste bin which would replace the 2 number 240 litre bins they use at present.
6. The waste is moved to the bins using trolleys.
7. Waste in the building is stored in waste bins which are emptied daily as a minimum. There are re-cycling bins in the kitchen/canteen area.
