Commenter Type: Neighbour

Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: I object on the bases of:

Road safety

Air pollution

Too close to several schools

Additional traffic on Nell lane and surrounding roads.

Nell Lane already has more traffic than it can cope with, the additional cars visiting Lidl will make the road very unsafe for pedestrians including the 6000 school children at the four local schools. The additional traffic will also create additional air pollution in the area and for the schools.
