Comment Details

Commenter Type: Member of the Public

Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: The planned entrance in Nell lane will contribute to an already busy road. The inevitable increase in traffic and the proximity of the entrance to the school present an increased risk to the students.

The store will also be disruptive to the school in terms of student management.

Whilst I appreciate land is at a premium and the area is in need of development. This is not a suitable solution.
