Details of the pre-application advice received

I am responding to your email dated 17.01.2023 sent to my colleague Rob regarding your single storey rear extension. I will answer your questions as they were posed in the initial email you sent.

- Not entirely sure this is outside the planning sphere would recommend contacting building control to get their expertise.
- In terms of roof height in order for the development to fall within permitted development, if the extension falls within 2 metres of the boundary of the curtilage the height of the eaves of the enlarged part cannot exceed 3 metres.
- Please see answer above regarding boundary line and the height of the extension. If removing a party wall/boundary wall this is a civic legal matter between the occupier and the neighbour.

In terms of depth of the extension how far will it extend from the rear elevation?

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- ☐ Yes
- ☒ No

Interest in the Land

Please state the applicant's interest in the land

- ☒ Owner
