Comment Reasons:

Comment: I am pleased that a Lidl store could hopefully be built near us. This would help my family who do not drive to access fruit and vegetables at a reasonable price very near to home. I also think it would make a difference to the lives of many people living on the Arrowfield Estate who currently have no access to cheap fruit and vegetables to buy locally. (the coop is expensive and the range of fruit and vegetables very limited). I really hope the application is successful.
