John,

Rowan Lodge Carlton Road Manchester M16 8BE - 136010/TCA/2023

The applicant has proposed to carry out the following works:

Ash (T5) - Approx 50% dieback of crown - Fell tree.

Ash (T6) - Small diameter spindly tree, adjacent T5, approx 60% dieback - Fell tree.

Due to the current information we have on Ash dieback and the recommendations regarding dieback percentages in the crown, I can confirm that we would have no objection to the proposals above.

Due to the newly available space once these two trees are removed, I would suggest replanting with Oak or Beech or similar.

Kind regards

Rudi Farghaly
