Comment Reasons:

Comment: I support this proposal which will improve the overall retail offer in the area, including to one of the less affluent areas in the ward to the south of Mauldeth Road West and including the Arrowfield Estate. Currently these areas are not well served in terms of a reasonably priced grocery shopping offer, and having a facility such as this would be of significant benefit and likely to cut down on the car and taxi journeys which people currently have to make to do their weekly shop. The proposal will also address the problem of the current site being an eyesore.
