

Important – Planning permission & notices of consent

Compliance with conditions

- Your planning approval or consent is attached. It will contain conditions that you must comply with.
- Please read the conditions and understand their requirements and restrictions, for example submission and approval of details or measures to protect trees.
- Some conditions will require action before you start development and it is imperative that you seek to have these discharged before any work commences.
- Whilst every effort has been made to group conditions logically, it is your responsibility to ensure that you are aware of the requirements and/or restrictions of all conditions.
- If you fail to comply with the conditions this may result in a breach of planning control and this may lead to enforcement action.
- Failure to comply with conditions may also result in the development not being lawful.
- It is in your interests to demonstrate that conditions have been complied with. Failure to do so may cause difficulties if the property is sold or transferred.
- A fee is payable for each request to discharge conditions.
- For advice on any of these matters, please contact Planning, Manchester City Council, PO Box 532, Town Hall, Manchester M60 2LA or email planning@manchester.gov.uk

Part 1 – Particulars of the application/development

Proposal: One storey roof extension to provide additional office floorspace (Use Class E (g)) along with ancillary works to the ground floor and basement levels, and removal and replacement of plant.

Location: 274 Deansgate, Manchester, M3 4JB

Date of application: 28 December 2022

Application number: 135860/FO/2022

Part 2 – Particulars of decision

Manchester City Council gives notice that the development referred to in Part 1 has been **Approved** in accordance with the application and plans submitted subject to the condition(s) listed below (if any).

Article 35 Declaration

Condition(s) attached to this decision

0) Officers have worked with the applicant in a positive and proactive manner based on seeking solutions to problems arising in relation to dealing with the planning application. The proposal is considered to be acceptable and therefore determined in a timely manner.

1) The development must be begun not later than the expiration of three years beginning with the date of this permission.

Reason - Required to be imposed pursuant to Section 91 of the Town and Country Planning Act 1990.

2) The development hereby approved shall be carried out in accordance with the following drawings and documents:

- 22109 (PL) 100 BASEMENT FLOOR PLAN
- 22109 (PL) 101 GROUND FLOOR PLAN
- 22109 (PL) 106 FIFTH FLOOR PLAN
- 22109 (PL) 107 ROOF FLOOR PLAN
- 22109 (PL) 200 A ELEVATIONS
- Design & Access Statement
- WASTE MANAGEMENT STRATEGY
- Heritage Statement
- SPACE MANAGEMENT SCHEDULE

received by the city council, as local planning authority, on 28/12/2022.

Reason - To ensure that the development is carried out in accordance with the approved plans. Pursuant to policies SP1 and DM1 of the Core Strategy

3) Prior to the commencement of the development a detailed construction management plan outlining working practices during development shall be submitted to and approved in writing by the local planning authority, which for the avoidance of doubt should include:

- The routing of construction traffic;
- Detail the vehicular activity associated with the construction including appropriate swept-path assessment;
- Details of the location and arrangements for contractor parking;
- The identification of the vehicular access points into the site;
- Identify measures to control dust and mud including on the surrounding public highway including details of how the wheels of contractor's vehicles are to be cleaned during the construction period;
- The details of an emergency telephone contact number for the site contractor to be displayed in a publicly accessible location;
- For large schemes a highway dilapidation survey including photographs and commentary on the condition of carriageway/footways on construction vehicle routes surrounding the site.

Manchester City Council encourages all contractors to be 'considerate contractors' when working in the city by being aware of the needs of neighbours and the environment. Membership of the Considerate Constructors Scheme is highly recommended.

The construction and demolition works shall be carried out in accordance with the approved construction management plan.

Reason: To ensure that the development is acceptable in the interests of the highway safety and the amenity of the locality, pursuant to policies SP1, DM1, CC5, CC10, T1, EN15, EN16, EN17 and EN18 of the Core Strategy and Guide to Development in Manchester Supplementary Planning Document and Planning Guidance (April 2007).

4) The external areas within the application site shall only be used in accordance with a Management Plan that shall be submitted to and approved in writing by the City Council as local planning authority before the development is first occupied and shall include:

- a schedule of days and hours of operation;
- number of occupiers (capacity); and
- statement of intended use.

No amplified sound or any music shall be produced or played in any part of the site outside the building.

Reason - To safeguard the amenities of the occupiers of nearby properties, pursuant to policies SP1 and DM1 of the Core Strategy.

5) a) Externally mounted ancillary plant, equipment and servicing shall be selected and/or acoustically treated in accordance with a scheme designed so as to achieve a rating level of 5dB (LAeq) below the typical background (LA90) level at the nearest noise sensitive location. Prior to commencement of the use hereby approved the scheme shall be submitted to and approved in writing by the City Council as local planning authority in order to secure a reduction in the level of noise emanating from the site.

b) Prior to occupation of the development a verification report shall be submitted to and approved in writing by the City Council as local planning authority to validate that the work undertaken throughout the development conforms to the recommendations and requirements in the approved acoustic report. The report shall also undertake post completion testing to confirm that the noise criteria have been met. Any instances of non-conformity with the recommendations in the report shall be detailed along with any measures required to ensure compliance with the agreed noise criteria.

Reason - To minimise the impact of the development and to prevent a general increase in pre-existing background noise levels around the site, pursuant to policies SP1 and DM1 of the Core Strategy.

6) The glazing to the ground floor windows will be clear and unobstructed. No treatment, screening or coating shall be applied on or behind the glazing that would obscure views from the street into the building.

Reason - In the interest of visual amenity pursuant to policies DM1 and SP1 of the Manchester Core Strategy.

7) a) Before the first use of the development hereby approved, a scheme for the storage and disposal of refuse shall be submitted for approval in writing by the City Council as local planning authority.

b) The details of the approved scheme shall be implemented as part of the development and shall remain in situ whilst the use or development is in operation.

Reason - In the interests of amenity and public health accordance with Core Strategy Policy DM1.

8) The cycle parking indicated on the approved plan (21057 (PL) 100 Rev B) shall be made available for use prior to the building hereby approved being occupied.

The cycle parking shall then be available at all times whilst the site is occupied.

Reason - To ensure that there is adequate parking for the development proposed when the building is occupied in order to comply with policy DM1 of the Manchester Core Strategy.

9) Prior to commencement, samples and specifications of the materials to be used on the external elevations of the building shall be submitted for approval in writing by the

City Council as Local Planning Authority. This includes any cladding, fixing and joining and new doorways and windows including specifications of frame widths. The approved materials shall be implemented as part of the development.

Reason - To ensure that the appearance of the development is acceptable to the City Council as local planning authority in the interests of the visual amenity of the area within which the site is located, as specified in policies SP1 and DM1 of the Core Strategy.

10) Prior to the occupation of the development, a report shall be submitted detailing coverage for any CCTV systems, alarms and access control. This will need to be reviewed to check all areas of the development are covered and approved in writing by the city council, as local planning authority.

Reason - in the interest of public safety pursuant to policies DM1 and SP1 of the Manchester Core Strategy.

11) Before first occupation, a signage strategy for the site shall be submitted to and agreed in writing by the City Council as local planning authority. The development shall be carried out in accordance with the approved details.

Reason - In the interests of visual amenity to enable careful attention to signage details is required to protect the character and appearance of this building in accordance with policies SP1 and DM1 of the Core Strategy.

12) a) Before first occupation of the development, a Travel Plan, including details of how the plan will be funded, implemented and monitored for effectiveness, shall be submitted to and approved in writing by the City Council as local planning authority. The strategy shall outline procedures and policies that the developer and occupants of the site will adopt to secure the objectives of the overall site's Travel Plan Strategy. Additionally, the strategy shall outline the monitoring procedures and review mechanisms that are to be put in place to ensure that the strategy and its implementation remain effective.

b) Within six months of first occupation of the development, the results of the monitoring and review processes shall be submitted in writing to the local planning authority and any measures that are identified that can improve the effectiveness of the Travel Plan Strategy shall be adopted and implemented.

The Travel Plan approved above shall be fully implemented, prior to first occupation of the development, and shall be kept in operation at all times thereafter.

Reason - In accordance with the provisions contained within planning policy guidance and in order to promote a choice of means of transport, pursuant to policies T2 and EN16 of the Core Strategy.

13) Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) (England) Order 2015 (as amended) (or any order revoking and re-enacting that Order with or without modification) no part of the development shall be used for any purpose other than the purpose of commercial (ground floor) Class E (a), E(c) (i,ii,iii) and offices (main building) E (g) (i) of the Schedule to the Town and Country Planning (Use Classes) Order 1987 (as amended) (or in any provision equivalent to that Class in any statutory instrument revoking and re-enacting that Order

with or without modification). The approved uses shall be implemented as part of the development, as per drawing:

Reason - To safeguard the amenities of the neighbourhood by ensuring that other uses which could cause a loss of amenity do not commence without prior approval pursuant to Core Strategy policies SP1 and DM1.

Informatives

Building Regulations 2010

This permission does not grant approval under Building Regulations.

Street Naming & Numbering Requirements

Manchester City Council is responsible for allocating street naming and numbering within Manchester for new developments or property conversions. Individuals or businesses are not permitted to allocate their own property numbers, building or street names.

If your development includes the creation of new dwellings (either new build or conversion of existing buildings), creation of new commercial properties or the subdivision of existing properties you must ensure that you request new or changes to addresses through us so they can be officially allocated and registered in accordance with the Public Health Act 1925 Sections 17-19 & Greater Manchester Act 1981 Section 22.

Failure to do this may result in difficulties for the developer/occupier when requiring services such as connections to utilities, phone lines and postal services and may delay your development.

You can apply online at the following address:

Julie Roscoe
Director of Planning, Building Control & Licensing

Manchester City Council, P O Box 532, Town Hall, Manchester M60 2LA

Notes

1. This permission refers only to that required under the Town and Country Planning Act 1990 does not include any consent or approval under any other enactment, byelaw, order or regulation.

2 If the applicant is aggrieved by the decision of the local planning authority to refuse permission or approval for the proposed development, or to grant permission or approval subject to conditions, they may appeal to the Secretary of State in accordance with Section 78(1) of the Town and Country Planning Act 1990 within six months of the date of the notice of the decision.

The Planning Inspectorate have introduced an online appeals service that can be used to make appeals online. This service is available through the gov.uk website – www.gov.uk/appeal-planning-decision The Inspectorate will publish details of your appeal on the internet. Alternatively If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State has power to allow a longer period for the giving of a notice of appeal but they will not normally be prepared to exercise this power unless there are special circumstances that excuse the delay in giving notice of appeal.

If you intend to submit an appeal that you would like examined by inquiry then you must notify the City Council (planning@manchester.gov.uk) and the Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. Further details are on GOV.UK.

3. The statutory requirements are those set out in Section 79(6) of the Town and Country Planning Act 1990, namely Sections 70(1) and 72(1) of the Act.

4. If either the local planning authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that they can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990

5. In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to them. The circumstances in which such compensation is payable are set out in Section 114 of the Town and Country Planning Act 1990.
