Hi All,

Hope you are all well and had a good Christmas & new year.

I have spoken to each of you before Christmas regarding the door removal for 38 Mosley Street, see attached plan. A brief recap, the doors are to be removed in one night and the pedestrians are to be diverted round the works via existing drop crossings.

From discussions with you all last time there were no issues with our current work proposals, but we need to have this in written format to discharge a planning condition for the scheme.

Please could you respond to this email saying you are happy with the proposals.

Gregg,

Once this planning conditions have been discharged our client will send over the possessions request form & payment.

Any issues give me a call on 07502724519.

Many thanks,
Nick
