Hi,

I would like to raise my concerns and object to planning application 135908/TEL/2023.

I have reviewed the mast at the top of Fog Lane and its size is not appropriate for a residential location. I would suggest reviewing fog lane park, supermarket car parks or business parks.

I have also reviewed the ideal location map and the planned location is half a mile from the ideal location.

Overall, I seriously object to this application and ask that the location is moved to a space more appropriate.

Kind regards

David Cundy
