Subject: Telecoms mast on Fog Lane, 135908/tel/2023

To: <adam.mitchel@manchester.gov.uk>, <planning@manchester.gov.uk>, <cllr.john.leech@manchester.gov.uk>, <bcoombe@mcrlibdems.uk>

I am writing to object to the proposed telecoms mast to be placed on the corner of fog Lane & Cranmer Road.

This will impact the local households - and so go again MCC's duty to not do this.

I believe other more suitable locations can and should be found - eg corner of Palatine Road and Lapwing Lane or in Didsbury village by a car park.

We are nowhere near catterick road which is supposedly the best location.

The mast will give better coverage elsewhere.

This is a purely residential area and should NOT be used.

Regards,

Suzanne Simpkins

9 Fog Lane
