Comment Reasons:

Comment: I feel it will bring an affordable option for food shopping to the area, so that people don't have to use public transport to get to Didsbury or Old Trafford for affordable food shops. Whilst there will be traffic due to it, this is already an issue that needs dealing with due to the 3 high schools so close to the site, so that shouldn't stop the building of a good food shop near a community that needs something affordable and accessible
