0.43m ² has been provided per apartment for the container space. Space to manoeuvre and access containers individually has also been provided so that each container can be accessed and removed for collection individually.	N/A

Commercial Developments

Please state number of bins you propose, showing calculations where appropriate.

General Waste -	1 x 500L Wheeled bin per unit
Pulpable Recycling -	2 x 360L Wheeled bin per unit
Mixed Recycling -	1 x 360L Wheeled bin per unit
Food Waste -	N/A
Industrial Waste -	N/A

Has / will a contract be obtained with a licenced waste carrier?
--

YES

Mixed Use Developments

Are the stores for residential and commercial separate from each other?

N/A

Internal Stores (Residential and Commercial)

Please provide details of internal stores / segregation of waste and recycling.

Staff will segregate and store the waste and recycling materials and will empty their unit wastes on days of collections.

Storage Areas for Waste Containers (Residential and Commercial)

Please provide details of container stores, attaching plans if appropriate.

Waste will be stored towards the rear of each unit and will be collected from Collingham Street.
--

Ensure all bins in the store are accessible

X

Ensure recycling facilities are as easy to access as general refuse

X

Please confirm details of waste store ventilation and hygiene / cleaning proposals

Ventilation -	Bin store will have an extraction routed to external air
Hygiene -	A management company will be employed for the general maintenance and upkeep of the units, ensuring hygiene & well being of users & appearance of bins.

Please provide details of who will be responsible for placing the bins at the collection point and returning them to the store / property promptly e.g. resident / management company

each unit will be responsible to take their waste bin out to Collingham Street for collection.
--

Please ensure that you have attached:
