Part 2 – Particulars of decision

Manchester City Council gives notice that the development referred to in Part 1 has been **Refused** in accordance with the application and plans submitted for the reason(s) listed below.

Article 35 Declaration

Officers have worked with the applicant in a positive and proactive manner based on seeking solutions to problems arising in relation to dealing with the planning application. Officers have communicated their concerns about this proposal to the applicant before and during the course of the planning application, but these concerns have not been overcome. The proposal is considered to be contrary to the development plan and therefore refused in a timely manner.

Reason(s) for decision

1) The installation of a canopy would result in the creation of an main additional entrance on Lower Byrom Street which would increase additional activity in around the site as a result of the intensified use of the premises, thereby producing excessive noise, disturbance and activity within the street as a result of pedestrian movement, which would have an unduly harmful impact on nearby residential amenity and is contrary to policies DM1 and SP1 of the Core Strategy and Saved UDP policy DC26
