Comment Reasons:

Comment: I am concerned about the location of the new Lidl. Next to a high school and a primary school and very near to two other high schools. The extra traffic it will bring into the area will be massive in an already busy area with small roads that are not suited to the amount of traffic - Nell Lane and Sandy Lane. It also therefore concerns me about the air pollution and child safety and seems to go totally against previous Manchester City Council plans to reduce traffic and air pollution with the cycle ways. The opposite would in fact happen.
