Hi Thomas,

Thank you for your patience.

Apologies I processed the approval decision to be signed off by my boss at the back end of last week, however it is February committee report deadline week this week and my boss has been unavailable the last few days finishing off a couple of committee items.

Please can we agree a time extension until the end of this week (Friday 10th February) and this could give us enough time to process the approval decision.

Many thanks

Adam
