You don't often get email from val_purves@yahoo.com. [Learn why this is important](#)

I am writing to object to the proposed erection of a phone mast very close to my home. The area selected is totally residential. The mast would be not only aesthetically ugly but, more importantly, a health hazard.

Clearly it would be most unwelcome, particularly as it would be near to schools and have a substantial impact on house values in the area.

I would politely ask the planning division to reconsider their decision since this site is inappropriate.
