Dear Mr Mitchell And the planning team

I would like to raise objection to the proposed large telephone mast on Fog Lane. I live at 20 Fairfax Avenue and the mast will be close by and at 15 m height, very visible.

It will be in the middle of a residential area and yet there seem to be alternative commercial locations, such as Aldi, not far away. I feel there has been very little public consultation about this matter and it is only because of the good offices of my neighbours that I've become aware of this proposal. I really would ask you to think again and seek a site that is not residential.

Best wishes

Dr Peter McMylor
