Dear Adam

I wish to record my objection to the proposed 15m telecoms mast on Fog Lane at the corner of Cranmer Road. I believe that MCC have a **duty** to place a mast in a location that has the least impact on residential households. Other locations have been discounted on the grounds that they are residential. This should be placed in a less residential/more commercial area.

I trust that in view of my objection you will turn down this proposed application.

Yours sincerely

Valerie Leinhardt
