At the on-site meeting the following points were raised by officers:

2. Supportive of the principle of the development of this infill site, concern about the proposed height of the development in the context of the adjoining listed building views within the Whitworth Street Conservation Area.
3. Moving forward if the scheme is relying on the additional storey required to make the scheme viable, then this needs to be evidenced alongside comparative alternative operator models and alternative less harmful uses of the site.
4. Provide a heritage statement.
