Dear Sirs,

I am the proud owner of 1 Knightsbridge Mews, Didsbury, Manchester M20 6GX.

I am shocked to hear and learn that Manchester City Council IS CONSIDERING ERECTING A MAST IN AN EXTEREMELY RESIDENTIAL AREA.

According to my understanding Manchester City Council is obliged to consider and examine commercial locations - locations that are less residential. **THEY HAVE FAILED TO DO THIS!**

As a Manchurian, who loves living in a very desirable area, strongly objects having a mast erected so near where people.

Also many other reasons spring to mind.

It is not even close to the developer's ideal key location.

We are not a, " better fit."

Fog lane/ Cramer Road is at the edge of the area: hence increased coverage - WOULD NOT IMPROVE!

Any other location would (in a coverage hole), would give the mast greater coverage. If that is your aim.

I thank you for your consideration,

Saroj Gupta
