Part 1 – Particulars of the application/development

Proposal: External and internal alterations to provide a new inclusive access and platform lift

Location: Richmond House , 15 Bloom Street, Manchester, Manchester, M1 3HZ

Date of application: 6 December 2022

Application number: 135162/FO/2022

Part 2 – Particulars of decision

Manchester City Council gives notice that the development referred to in Part 1 has been **Refused** in accordance with the application and plans submitted for the reason(s) listed below.

Article 35 Declaration

Officers have worked with the applicant in a positive and proactive manner based on seeking solutions to problems arising in relation to dealing with the planning application. However, the harm associated with the proposed development is considered too great to be supported. Advice and a site meeting were offered contingent on a withdrawal of the application to try to find a suitable solution. No response was subsequently received from the agent.

Reason(s) for decision

1) The proposed elevational alteration, by virtue of the siting, scale, design and appearance, would result an alteration which is not appropriate to the architectural language and character of the building and streetscene. This would amount to less than substantial harm to the visual amenity of this non designated heritage within the Whitworth Street conservation area. The required public benefits do not exist in this instance to outweigh the harm that would be caused. These benefits could be achieved in a less harmful way to the building. The proposal is therefore contrary to the

provisions of policies SP1, EN1, EN3, CC9 and DM1 of the Manchester Core Strategy (2012), saved policy DC18 of the Unitary Development Plan for the City of Manchester (1995) and the NPPF.

Date: 31 January 2023

However, if an enforcement notice has been served for the same or very similar development within the previous 2 years, the time limit is:

- 28 days from the date of the LPA decision if the enforcement notice was served before the decision was made yet not longer than 2 years before the application was made.
- 28 days from the date the enforcement notice was served if served on or after the date the decision was made (unless this extends the appeal period beyond 6 months).

The Planning Inspectorate have introduced an online appeals service that can be used to make appeals online. This service is available through the gov.uk website – www.gov.uk/appeal-planning-decision. The Inspectorate will publish details of your appeal on the internet. In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase their interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990

5. In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to them.
