Comment Details

Commenter Type: Neighbour

Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: I am concerned that this new supermarket is too close to 2 high schools and a primary school and the increase in traffic that this development will cause a substantial increase in risk to child safety crossing roads on an already congested roads (st werburghs, Nell lane and Mauldeth road west) not to mention the danger to health from increased levels of car pollution. I therefore oppose this development.
