

Important – Planning permission & notices of consent

Compliance with conditions

- Your planning approval or consent is attached. It will contain conditions that you must comply with.
- Please read the conditions and understand their requirements and restrictions, for example submission and approval of details or measures to protect trees.
- Some conditions will require action before you start development and it is imperative that you seek to have these discharged before any work commences.
- Whilst every effort has been made to group conditions logically, it is your responsibility to ensure that you are aware of the requirements and/or restrictions of all conditions.
- If you fail to comply with the conditions this may result in a breach of planning control and this may lead to enforcement action.
- Failure to comply with conditions may also result in the development not being lawful.
- It is in your interests to demonstrate that conditions have been complied with. Failure to do so may cause difficulties if the property is sold or transferred.
- A fee is payable for each request to discharge conditions.
- For advice on any of these matters, please contact Planning, Manchester City Council, PO Box 532, Town Hall, Manchester M60 2LA or email planning@manchester.gov.uk

Town & Country Planning Act 1990 (as amended)

Planning Permission

Applicant

Manchester Life Development Company 3
Limited
C/o Agent

Agent (if used)

Mr John Cooper
Deloitte LLP
The Hanover Building
Corporation Street
Manchester
M4 4AH

Part 1 – Particulars of the application/development

Proposal: Erection of two, 8 storey residential buildings (Use Class C3a) with associated ground floor commercial (Use Class E) and ancillary amenity space, together with cycle and car parking, landscaping and public realm and other associated works following demolition of existing structures

Location: 66 Jersey Street, Manchester, M4 6JW

Date of application: 13 May 2022

Application number: 133769/FO/2022

Part 2 – Particulars of decision

Manchester City Council gives notice that the development referred to in Part 1 has been **Approved** in accordance with the application and plans submitted subject to the condition(s) listed below (if any).

Article 35 Declaration

Officers have worked with the applicant in a positive and proactive manner based on seeking solutions to problems arising in relation to dealing with the planning application. Pre application advice has been sought in respect of this matter where early discussions took place regarding the siting/layout, scale, design and appearance of the development along with noise, traffic and air quality impacts. Further work and discussion have taken place with the applicant through the course of the application. The proposal is considered to be acceptable and therefore determined within a timely manner.

Condition(s) attached to this decision

1) The development must be begun not later than the expiration of three years beginning with the date of this permission.

Reason - Required to be imposed pursuant to Section 91 of the Town and Country Planning Act 1990.

2) The development hereby approved shall be carried out in accordance with the following drawings and documents:

Drawings

DR-A-002002-A, DR-A-002003-A, DR-A-002100-A, DR-A-002101-A, DR-A-002102-A, DR-A-002103-A, DR-A-002104-A, DR-A-002105-A, DR-A-002106-A, DR-A-002107-A, DR-A-002150-A, DR-A-002151-A, DR-A-002152-A, DR-A-002200-A, DR-A-002201-A, DR-A-002500-A and RF-DR-A-002108-A stamped as received by the City Council, as Local Planning Authority, on the 13 May 2022

DR-A-002300-B, DR-A-002301-B, DR-A-002302-B, DR-A-002303-B, DR-A-002304-B, DR-A-002400-B, DR-A-002401-B, DR-A-002402-B, DR-A-002403-B and DR-A-002404-B stamped as received by the City Council, as Local Planning Authority, on the 2 June 2022

Supporting Information

Design and Access Statement, including a schedule of accommodation and landscape strategy prepared by PRP and Planit.ie, Heritage Assessment prepared by KM Heritage, Archaeological Desk Based Assessment prepared by Salford Archaeology, Risk Assessment and Drainage Strategy prepared by Curtins, Fire Engineering: Gateway One Planning Statement prepared by Hoare Lea, Environmental Standards and Energy Statement prepared by Buro Happold, Sustainability Statement prepared by Buro Happold, Acoustic Report prepared by Sandy Brown, Air Quality Assessment prepared by Hoare Lea, Phase 2 Geo-environmental Survey (including Ground Gas Assessment) prepared by E3P, Arboricultural Impact Assessment and Method Statement prepared by Tyler Grange, Biodiversity Net Gain Briefing Note prepared by Tyler Grange, Transport Statement prepared by Hydrock, Framework Travel Plan prepared by Hydrock, Waste Management and Servicing Strategy (including MCC's Waste Proforma) prepared by PRP, Framework Construction Management MLDC, Local Labour Statement MLDC Crime Impact Statement prepared by GMP, Ventilation Statement prepared by Buro Happold, Daylight and Sunlight Impact Assessment prepared by GIA, TV Reception Survey and Broadband Connectivity Assessment prepared by Pager Power, Residential Management Statement MLDC, Financial Viability Assessment prepared by Savills, Statement of Consultation prepared by Deloitte LLP and Planning Statement prepared by Deloitte LLP.

The above documents were stamped as received by the City Council, as Local Planning Authority, on the 13 May 2022.

Ecology Report prepared by Tyler Grange stamped as received by the City Council, as Local Planning Authority, on the 7 July 2022

Reason - To ensure that the development is carried out in accordance with the approved plans. Pursuant to policies SP1 and DM1 of the Core Strategy.

3) Prior to the commencement of the development, details of the method for piling, or any other foundation design using penetrative methods, for the development shall be submitted for approval in writing by the City Council, as Local Planning Authority. The approved details shall then be implemented during the construction of the development.

Reason - Piling or any other foundation using penetrative methods can result in risks to potable supplies (pollution/turbidity, risk of mobilising contamination) drilling through different aquifers and creating preferential pathways. It is therefore necessary to demonstrate that piling will not result in contamination of groundwater. In addition, piling can affect the adjacent railway network which also requires consideration pursuant to policies SP1, EN17 and EN18 of the Manchester Core Strategy (2012).

4) No demolition works or vegetation clearance shall take place during the optimum period for bird nesting (March - September inclusive) unless nesting birds have been shown to be absent, or, a method statement for the demolition including for the protection of any nesting birds is agreed in writing by the City Council, Local Planning Authority. Any method statement shall then be implemented for the duration of the demolition works.

Reason - In order to protect wildlife from works that may impact on their habitats pursuant to policy EN15 of the Manchester Core Strategy (2012).

5) Prior to the commencement of the development, a scheme of investigation to establish the structural condition of the canal wall on the southern boundary of the site including the extent to which any works on the site, including altering the site levels, will increase loadings on the wall and the need for any rebuilding or strengthening works as may be necessary to ensure that the structural integrity of the wall can be maintained, shall be submitted for approval in writing by the City Council, as Local Planning Authority. The work on or adjacent to the canal wash wall shall be carried out in accordance with the approved method statement.

Reason: To establish whether mitigation works are necessary in order to ensure that the development does not adversely affect the Rochdale canal by weakening the wall and to secure any mitigation works as may be required pursuant to policies SP1 and DM1 of the Manchester Core Strategy (2012).

6) Prior to the commencement of the development, a Risk Assessment and Method Statement outlining all works to be carried out adjacent to the canal has been submitted for approval in writing by the City Council, as Local Planning Authority. The details shall include:

- o demonstration that additional loads from the permanent or any temporary works, plant and machinery or storage of materials would not harm the structural integrity of the canal infrastructure;
- o provide cross sections showing the distance from the canal, hard landscaping/raised beds; and proposed buildings;
- o include the design, depth and means of construction of the foundations of the buildings, together with any other proposed earthmoving and excavation works required in connection with demolition or construction of the buildings;
- o details specifying how the canal will be protected during the works, including tree removal and include any details of how the tree roots would be treated and details of the proposed protective fencing to be erected to safeguard the waterway infrastructure during construction;
- o include the steps to be taken to prevent the discharge of silt -laden run-off, materials or dust or any accidental spillages entering the canal.

The development shall only be carried out in accordance with the agreed Risk Assessment and Method Statement for the duration of the works.

Reason: To protect the structural stability of the canal infrastructure which could be adversely affected by the development and to accord with policies SP1 and DM1 of the Manchester Core Strategy (2012).

7) The development shall not commence until a detailed Construction Environment Management Plan (CEMP) has been submitted for approval in writing by the Local Planning Authority, which should include;

- A plan showing the areas of storage of plant, fuel/chemicals and materials used in constructing the development;
- Include the steps to be taken to prevent the discharge of silt-laden run-off, construction site drainage, materials or dust or any accidental spillages entering the waterway;
- details of the environmental pollution incident emergency response;
- include measures to locate, clear, remediate and permanently seal any existing drains or culverts within the application site that may discharge to the canal;
- details specifying how the waterway corridor and its users would be protected during the works and
- include any details of proposed protective fencing/netting to be erected to safeguard the waterway infrastructure during site clearance/construction

The development shall be carried out in accordance with the approved construction environmental plan.

Reason - To safeguard the adjacent canal, pursuant to policies SP1, EN9, EN19 and DM1 of the Manchester Core Strategy (July 2012).

8) Notwithstanding the Risk Assessment and Drainage Strategy prepared by Curtins stamped as received by the City Council, as Local Planning Authority, on the 13 May 2022, (a) the development shall not commence until a scheme for the drainage of surface water from that phase of the new development shall be submitted for approval in writing by the City Council as the Local Planning Authority. This shall include:

- Evidence that the rain gardens have been sized appropriately to ensure efficient lifetime functionality and no/limited flooding to the highway.
- Construction details of flow control and SuDS elements.
- Details of how the scheme shall be maintained and managed after completion and confirmation on who will be responsible for maintaining the SuDS systems..

(b) The development shall then be constructed in accordance with the approved details, within an agreed timescale.

Reason - To promote sustainable development, secure proper drainage and to manage the risk of flooding and pollution pursuant to policies SP1, EN14 and DM1 of the Manchester Core Strategy (2012).

9) No demolition or development shall take place until the applicant or their agents or successors in title has secured the implementation of a programme of archaeological works. The works are to be undertaken in accordance with a Written Scheme of Investigation (WSI) submitted for approval in writing by the City Council, as Local Planning Authority. The WSI shall cover the following:

1. A phased programme and methodology of investigation and recording to include:
 - archaeological evaluation trenching;
 - pending the results of the above, a targeted open-area excavation.
2. A programme for post-investigation assessment to include:
 - production of a final report on the results of the investigations and their significance.
3. Deposition of the final report with the Greater Manchester Historic Environment Record.
4. Dissemination of the results of the archaeological investigations commensurate with their significance.
5. Provision for archive deposition of the report and records of the site investigation.
6. Nomination of a competent person or persons/organisation to undertake the works set out within the approved WSI.

Reason: To record and advance understanding of heritage assets impacted on by the development and to make information about the heritage interest publicly accessible pursuant to policies EN3 of the Manchester Core Strategy (2012) and saved policy DC20 of the Unitary Development Plan for the City of Manchester (1995).

10) a) Notwithstanding the Phase 1 Geoenvironmental Site Assessment, Manchester Life Phase 3 (Parcel C), E3P, Reference: 13-729-R1, February 2020, Phase II Geoenvironmental Site Assessment, Land at Jersey Street, Ancoats (Parcel C), E3P, Reference: 13-350-R3, February 2020 and Ground Gas Addendum Report, Land at Jersey Street, Ancoats (Parcel C), E3P, Reference: 13-729-R3-C, April 2020 (including calibration certificates) stamped as received by the City Council, as Local Planning Authority, on the 13 May 2022, the development (except for demolition works) shall not commence until the following information has been submitted for approval in writing by the City Council, as Local Planning Authority, to identify and evaluate all potential sources and impacts of any ground contamination, groundwater contamination and/or ground gas relevant to the site

- Submission of an addendum Site Investigation and Risk Assessment Report due to insufficient coverage to date, including;

- a. Further investigation of Parcel C upon demolition of structures.
- b. Further investigation within the canal to the west of the site
- c. Additional gas monitoring.

- Submission of a Remediation Strategy

b) When the development commences, the development shall be carried out in accordance with the previously agreed Remediation Strategy and a Completion/Verification Report shall be submitted to and approved in writing by the City Council as Local Planning Authority, prior to the first occupation of the residential element of the development.

In the event that ground contamination, groundwater contamination and/or ground gas, not previously identified, are found to be present on the site at any time before the development is occupied, then development shall cease and/or the development shall not be occupied until, a report outlining what measures, if any, are required to

remediate the land (the Revised Remediation Strategy) is submitted to and approved in writing by the City Council as Local Planning Authority and the development shall be carried out in accordance with the Revised Remediation Strategy, which shall take precedence over any Remediation Strategy or earlier Revised Remediation Strategy.

Reason - To ensure that the presence of or the potential for any contaminated land and/or groundwater is detected and appropriate remedial action is taken in the interests of public safety, pursuant to policies DM1 and EN18 of the Core Strategy.

11) Notwithstanding the Framework Construction Management MLDC stamped as received by the City Council, as Local Planning Authority, on the 13 May 2022, the development shall not commence until a detailed construction management plan outlining working practices during construction have be submitted for approval in writing by the Local Planning Authority, which for the avoidance of doubt should include;

- o Display of an emergency contact number;
- o Details of Wheel Washing;
- o Dust suppression measures;
- o Compound locations where relevant;
- o Consultation with local residents/local businesses;
- o Location, removal and recycling of waste;
- o Routing strategy and swept path analysis;
- o Parking of construction vehicles and staff; and
- o Sheeting over of construction vehicles.

Manchester City Council encourages all contractors to be 'considerate contractors' when working in the city by being aware of the needs of neighbours and the environment. Membership of the Considerate Constructors Scheme is highly recommended.

The development shall be carried out in accordance with the approved construction management plan.

Reason - To safeguard the amenities of nearby residents and highway safety, pursuant to policies SP1, EN9, EN19 and DM1 of the Manchester Core Strategy (July 2012).

12) Prior to the commencement of the development, all material to be used on all external elevations of the development shall be submitted for approval in writing by the City Council, as Local Planning Authority. This shall include the submission of samples (including a panel) and specifications of all materials to be used on all external elevations of the development along with jointing and fixing details, window reveals and soffits, details of the drips to be used to prevent staining in, ventilation/air brick and a strategy for quality control management.

The approved materials shall then be implemented as part of the development.

Reason - To ensure that the appearance of the development is acceptable to the City Council as local planning authority in the interests of the visual amenity of the area within which the site is located, as specified in policies SP1 and DM1 of the Core Strategy.

13) The window reveals and soffits for the development shall be carried out in accordance with drawings DR-A-002400-B, DR-A-002401-B, DR-A-002402-B, DR-A-

002403-B and DR-A-002404-B stamped as received by the City Council, as Local Planning Authority, on the 2 June 2022.

Reason - In the interest of preserving the architectural detailing on the scheme pursuant to policies EN1 and DM1 of the Manchester Core Strategy (2012).

14) a) Prior to the commencement of the development, details of a Local Benefit Proposal, in order to demonstrate commitment to recruit local labour for the duration of the construction of the development, shall be submitted for approval in writing by the City Council, as Local Planning Authority. The approved document shall be implemented as part of the construction of the development.

In this condition a Local Benefit Proposal means a document which includes:

- i) the measures proposed to recruit local people including apprenticeships
- ii) mechanisms for the implementation and delivery of the Local Benefit Proposal
- iii) measures to monitor and review the effectiveness of the Local Benefit Proposal in achieving the objective of recruiting and supporting local labour objectives

(b) Within one month prior to construction work associated with the development being completed, a detailed report which takes into account the information and outcomes about local labour recruitment pursuant to items (i) and (ii) above shall be submitted for approval in writing by the City Council as Local Planning Authority.

Reason - The applicant has demonstrated a commitment to recruiting local labour pursuant to policies SP1, EC1 and DM1 of the Manchester Core Strategy (2012).

15) Prior to the installation of the boundary treatment, details of the boundary treatment shall for the development be submitted for approval in writing by the Council, as Local Planning Authority. The approved details shall then be implemented as part of the development and be in place prior to the first occupation of the development.

The boundary treatment shall be retained and maintained in situ thereafter and notwithstanding the provisions of the Town and Country Planning (General Permitted Development) Order 2015 (or any order revoking or re-enacting that Order with or without modification) no boundary treatment shall be erected on site, other than that shown on the approved plans.

Reason - To ensure that the appearance of the development is acceptable to the City Council as local planning authority in the interests of the visual amenity of the area within which the site is located, as specified in policies SP1 and DM1 of the Core Strategy.

16) Prior to the first occupation of the development hereby approved, details of the implementation, maintenance and management of the sustainable drainage scheme for the development shall be submitted for approval in writing by the City Council, as Local Planning Authority.

For the avoidance of doubt the scheme shall include the following:

- Verification report providing photographic evidence of construction; and
- Management and maintenance plan for the lifetime of the development which shall include the arrangements for adoption by any public body or statutory undertaker, or

any other arrangements to secure the operation of the sustainable drainage scheme throughout its lifetime.

The approved scheme shall then be implemented in accordance with the details and thereafter managed and maintained for as long as the development remains in use.

Reason - To promote sustainable development, secure proper drainage and to manage the risk of flooding and pollution pursuant to policies SP1, EN14 and DM1 of the Manchester Core Strategy (2012).

17) The development hereby approved shall be carried out in accordance with the Environmental Standards and Energy Statement prepared by Buro Happold stamped as received by the City Council, as Local Planning Authority, on the 13 May 2022. A post construction review certificate/statement for the development shall be submitted for approval, within a timescale that has been previously agreed in writing, to the City Council as Local Planning Authority.

Reason - In order to minimise the environmental impact of the development pursuant to policies SP1, T1-T3, EN4-EN7 and DM1 of the Core Strategy and the principles contained within The Guide to Development in Manchester SPD (2007) and the National Planning Policy Framework.

18) Notwithstanding drawings DR-A-002100-A stamped as received by the City Council, as Local Planning Authority, on the 13 May 2022, (a) prior to any above ground works commencing, details of a hard and soft landscaping scheme (including appropriate materials, specifications) shall be submitted for approval in writing by the City Council, as Local Planning Authority.

(b) The approved scheme shall be implemented prior to the first occupation of the residential element of the development. If within a period of 5 years from the date of the planting of any tree or shrub, that tree or shrub or any tree or shrub planted in replacement for it, is removed, uprooted or destroyed or dies, or becomes, in the opinion of the local Planning Authority, seriously damaged or defective, another tree or shrub of the same species and size as that originally planted shall be planted at the same place.

Reason - To ensure that a satisfactory landscaping scheme for the development is carried out that respects the character and visual amenities of the area, in accordance with policies SP1, EN9 and DM1 of the Core Strategy.

19) (a) Prior to the first occupation of the development, details of any externally mounted ancillary plant, equipment and servicing shall be submitted for approval in writing by the City Council, as Local Planning Authority. For the avoidance of doubt, externally mounted plant, equipment and servicing shall be selected and/or acoustically treated in accordance with a scheme designed so as to achieve a rating level of 5 db (L_{aeq}) below the typical background (L_{a90}) level at the nearest noise sensitive location.

(b) Prior to the first occupation of the development, a verification report will be required to validate that the work undertaken conforms to the recommendations and requirements approved as part of part (a) of this planning condition. The verification report shall include post completion testing to confirm the noise criteria has been met. In instances of non-conformity, these shall be detailed along with mitigation measures required to ensure compliance with the noise criteria. A verification report and

measures shall be agreed until such a time as the development complies with part (a) of this planning condition.

Any mitigation measures shall be implemented in accordance with a timescale to be agreed with the City Council, as Local Planning Authority. Any measures shall thereafter retained and maintained in situ.

Reason - To minimise the impact of plant on the occupants of the development pursuant to policies SP1 and DM1 of the Manchester Core Strategy (2012) and saved policy DC26 of the Unitary Development Plan for the City of Manchester (1995).

20) (a) Notwithstanding the Acoustic Report by Sandy Brown stamped as received by the City Council, as Local Planning Authority, on the 13 May 2022, prior to the first use of each commercial unit as indicated on drawing DR-A-002100-A stamped as received by the City Council, as Local Planning Authority, on the 13 May 2022, a scheme of acoustic insulation for the commercial units shall be submitted for approval in writing by the City Council, as Local Planning Authority.

(b) Prior to the first use of each of the commercial units, a verification report will be required to validate that the work undertaken conforms to the recommendations and requirements approved as part of part (a) of this planning condition. The verification report shall include post completion testing to confirm the noise criteria has been met. In instances of non conformity, these shall be detailed along with mitigation measures required to ensure compliance with the noise criteria. A verification report and measures shall be agreed until such a time as the development complies with part (a) of this planning condition.

Any mitigation measures shall be implemented in accordance with a timescale to be agreed with the City Council, as Local Planning Authority, and thereafter retained and maintained in situ.

Reason - In order to limit the outbreak of noise from the commercial premises pursuant to policies SP1 and DM1 of the Core Strategy (2007) and saved policy DC26 of the Unitary Development Plan for the City of Manchester (1995).

21) Notwithstanding the Acoustic Report by Sandy Brown stamped as received by the City Council, as Local Planning Authority, on the 13 May 2022, prior to the first occupation of the development a scheme for acoustically insulating the proposed residential accommodation against noise from the local traffic network shall be submitted for approval in writing by the City Council, as Local Planning Authority. The approved noise insulation scheme shall be completed before the first occupation of the development.

Noise survey data must include measurements taken during a rush-hour period and night time to determine the appropriate sound insulation measures necessary. The following noise criteria will be required to be achieved:

Bedrooms (night time - 23.00 - 07.00) 30 dB L Aeq (individual noise events shall not exceed 45 dB L Amax,F by more than 15 times)
Living Rooms (daytime - 07.00 - 23.00) 35 dB L Aeq
Gardens and terraces (daytime) 55 dB L Aeq

(b) Prior to the first occupation of the development, a verification report will be required to validate that the work undertaken conforms to the recommendations and

requirements approved as part of part (a) of this planning condition. The verification report shall include post completion testing to confirm the noise criteria has been met. In instances of non-conformity, these shall be detailed along with mitigation measures required to ensure compliance with the noise criteria. A verification report and measures shall be agreed until such a time as the development complies with part (a) of this planning condition.

Any mitigation measures shall be implemented in accordance with a timescale to be agreed with the City Council, as Local Planning Authority, and thereafter retained and maintained in situ.

Reason: To secure a reduction in noise from traffic or other sources in order to protect future residents from noise disturbance pursuant to policies SP1, H1 and DM1 of the Core Strategy (2007) and saved policy DC26 of the Unitary Development Plan for the City of Manchester (1995).

22) The development shall be carried out in accordance with the Waste Management and Servicing Strategy (including MCC's Waste Proforma) prepared by PRP and drawing DR-A-002100-A stamped as received by the City Council, as Local Planning Authority, on the 13 May 2022. The details of the approved scheme shall be implemented prior to the first use of the residential element and shall remain in situ whilst the use or development is in operation.

Reason - To ensure adequate refuse arrangement are put in place for the residential element of the scheme pursuant to policies EN19 and DM1 of the Manchester Core Strategy.

23) Prior to the first use of each of the commercial units, as indicated on drawing DR-A-002100-A stamped as received by the City Council, as Local Planning Authority, on the 13 May 2022, should fume extraction be required, details of a scheme to extract fumes, vapours and odours from that commercial unit shall be submitted for approval in writing by the City Council, as Local Planning Authority. The approved scheme shall then be implemented prior to the first occupation of the commercial units and thereafter retained and maintained in situ.

Reason - To ensure appropriate fume extraction is provided for the commercial units pursuant to policies SP1 and DM1 of the Manchester Core Strategy and saved policy DC10 of the Unitary Development Plan for the City of Manchester (1995).

24) Prior to the first use of each of the commercial units as indicated drawing DR-A-002100-A stamped as received by the City Council, as Local Planning Authority, on the 13 May 2022, details of any roller shutters to the ground floor of that commercial unit shall be submitted for approval in writing by the City Council, as Local Planning Authority. The shutters shall be fitted internally to the premises. The approved details shall be implemented prior to the first occupation of each commercial units and thereafter retained and maintained in situ.

Reason - To ensure that the roller shutters are appropriate in visual amenity terms pursuant to policies SP1, EN1 and DM1 of the Manchester Core Strategy (2012).

25) The development hereby approved shall include a building and site lighting scheme and a scheme for the illumination of external areas during the period between dusk and dawn. Prior to the first occupation of the development, full details of such a scheme for the development shall be submitted for approval in writing by the City Council, as Local

Planning Authority. The approved scheme shall be implemented in full prior to the first occupation of the development and shall remain in operation for so long as the development is occupied.

Reason - In the interests of amenity, crime reduction and the personal safety of those using and ensure that lighting is installed which is sensitive to the bat environment the proposed development in order to comply with the requirements of policies SP1 and DM1 of the Core Strategy.

26) If any lighting at the development hereby approved, when illuminated, causes glare or light spillage which in the opinion of the Council as local planning authority causes detriment to adjoining and nearby residential properties, within 14 days of a written request, a scheme for the elimination of such glare or light spillage shall be submitted to the Council as local planning authority and once approved shall thereafter be retained in accordance with details which have received prior written approval of the City Council as Local Planning Authority.

Reason - In order to minimise the impact of the illumination of the lights on the occupiers of nearby residential accommodation, pursuant to policies SP1 and DM1 of the Core Strategy.

27) Deliveries, servicing and collections including waste collections shall not take place outside the following hours:

Monday to Saturday 07:30 to 20:00

Sundays (and Bank Holidays): No deliveries/waste collections

Reason - In the interest of residential amenity pursuant to policies SP1 and DM1 of the Manchester Core Strategy (2012).

28) The commercial units hereby approved, as indicated on drawing DR-A-002100-A stamped as received by the City Council, as Local Planning Authority, on the 13 May 2022, shall not be open outside the following hours:-

Monday to Saturday 08:00 to 23:30

Sundays (and Bank Holidays): 10:00 to 22:00

There shall be no amplified sound or any amplified music at any time within the unit.

Reason - In interests of residential amenity in order to reduce noise and general disturbance in accordance with saved policy DC26 of the Unitary Development Plan for the City of Manchester and policies SP1 and DM1 of the Core Strategy.

29) Prior to the first use of the external landscaped areas around the development as indicated on drawing DR-A-002100-A stamped as received by the City Council, as Local Planning Authority, on the 13 May 2022, an operational management strategy shall be submitted for approval in writing by the City Council, as Local Planning Authority.

The Operating Schedule shall contain the following details:

- a. A scaled layout plan showing the proposed seating area, including layout of furniture and demarcation of the area;
- b. Full details of the measures proposed to ensure that the proposed seating area is fully accessible by disabled people;
- c. Details of the proposed furniture, including any barriers;
- d. A detailed management strategy that includes information on how the proposed external seating area would be managed in terms of potential noise disturbance, additional movement and activity, litter and storage of furniture at night (including no use of amplified music);
- e. days and hours of operation.

The approved plan shall be implemented upon first use of the development and thereafter retained.

No amplified sound or any music shall be produced or played in any part of the site outside the buildings.

Reason - To safeguard the amenities of the occupiers of nearby properties, pursuant to policies SP1 and DM1 of the Core Strategy.

30) The commercial units as shown on drawing DR-A-002100-A stamped as received by the City Council, as Local Planning Authority, on the 13 May 2022, shall remain as separate units and shall not be sub divided or amalgamated without the benefit of planning permission being secured.

Reason- In the interests of residential amenity and to ensure the future viability and vitality of the commercial units pursuant to saved policy DC26 of the Unitary Development Plan for the City of Manchester and policies DM1, C5 and SP1 of the Manchester Core Strategy.

31) The commercial units, as indicated on DR-A-002100-A stamped as received by the City Council, as Local Planning Authority, on the 13 May 2022, can be occupied as Use Class E (excluding convenience retail and a gymnasium) and for no other purpose of The Town and Country Planning (Use Classes) Order 1987 (or any order revoking and re-enacting that Order with or without modification). The first use of the commercial unit to be implemented shall thereafter be the permitted use of that unit

Reason - For the avoidance of doubt and in order to secure a satisfactory form of development due to the particular circumstance of the application site, ensuring the vitality of the units and in the interest of residential amenity, pursuant policy DM1 of the Core Strategy for Manchester .

32) Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) (England) Order 2015 (as amended) (or any order revoking and re-enacting that Order with or without modification) no part of the development shall be used for any purpose other than the purpose(s) of Class C3(a) of the Schedule to the Town and Country Planning (Use Classes) Order 1987 (as amended) (or in any provision equivalent to that Class in any statutory instrument revoking and re-enacting that Order with or without modification). For the avoidance of doubt, this does not preclude two unrelated people sharing a property.

Reason - In the interests of residential amenity, to safeguard the character of the area and to maintain the sustainability of the local community through provision of accommodation that is suitable for people living as families pursuant to policies DM1 and H11 of the Core Strategy for Manchester and the guidance contained within the National Planning Policy Framework.

33) The residential use hereby approved shall be used only as private dwellings (which description shall not include serviced properties or similar uses where sleeping accommodation (with or without other services) is provided by way of trade for money or money's worth and occupied by the same person for less than ninety consecutive nights) and for no other purpose (including any other purpose in Class C3 of the Schedule to the Town and Country Planning (Use Classes) Order 1987 (as amended), or any provision equivalent to that Class in any statutory instrument revoking and re-enacting that Order with or without modification).

Reason - To safeguard the amenities of the neighbourhood by ensuring that other uses which could cause a loss of amenity such as serviced apartments/apart hotels do not commence without prior approval; to safeguard the character of the area, and to maintain the sustainability of the local community through provision of accommodation that is suitable for people living as families pursuant to policies DM1 and H11 of the Core Strategy for Manchester and the guidance contained within the National Planning Policy Framework.

34) The development shall be carried out in accordance with the Crime Impact Statement prepared by Design for Security at Greater Manchester Police stamped as received by the City Council, as Local Planning Authority, on the 13 May 2022. The development shall only be carried out in accordance with these approved details. Prior to the first occupation of the development, the Council as Local Planning Authority must acknowledge in writing that it has received written confirmation of a Secured by Design accreditation.

Reason - To reduce the risk of crime pursuant to policies SP1 and DM1 of the Core Strategy and to reflect the guidance contained in the National Planning Policy Framework.

35) The development hereby approved shall be carried out in accordance with the Framework Travel Plan stamped as received by the City Council, as Local Planning Authority, on the 13 May 2022.

In this condition a Travel Plan means a document which includes:

- i) the measures proposed to be taken to reduce dependency on the private car by those living at the development;
- ii) a commitment to surveying the travel patterns of residents/staff during the first three months of the first use of the building and thereafter from time to time
- iii) mechanisms for the implementation of the measures to reduce dependency on the private car
- iv) measures for the delivery of specified Travel Plan services
- v) measures to monitor and review the effectiveness of the Travel Plan in achieving the objective of reducing dependency on the private car

Within six months of the first occupation of the development, a Travel Plan for the development which takes into account the information about travel patterns gathered

pursuant to item (ii) above shall be submitted for approval in writing by the City Council as Local Planning Authority. Any Travel Plan which has been approved by the City Council as Local Planning Authority shall be implemented in full at all times when the development hereby approved is in use.

Reason - To assist promoting the use of sustainable forms of travel for residents, pursuant to policies T1, T2 and DM1 of the Manchester Core Strategy (2012).

36) Prior to the first occupation of the residential element, the 190 space cycle store shall be implemented in accordance with DR-A-002100-A stamped as received by the City Council, as Local Planning Authority, on the 13 May 2022 and thereafter retained and maintained in situ.

Reason - To ensure there is sufficient cycles stand provision at the development and the residents in order to support modal shift measures pursuant to policies SP1, T1, T2 and DM1 of the Manchester Core Strategy (2012).

37) Prior to the first occupation of the residential element of the development hereby approved, the three disabled car parking spaces, as indicated on drawing DR-A-002100-A stamped as received by the City Council, as Local Planning Authority, on the 13 May 2022 shall then be implemented, made available and remain in situ for as long as the development remains in use.

Reason - To ensure sufficient disabled car parking is available for disabled occupants of the development pursuant to policies SP1, T1, and DM1 of the Manchester Core Strategy (2012).

38) Prior to the first occupation of the residential element of the development, a scheme of highway works and details of footpaths reinstatement/public realm for the development shall be submitted for approval in writing by the City Council, as Local Planning Authority.

For the avoidance of doubt this shall include the following:

- Footway reinstatement including provision of street trees and tactile paving to Jersey Street. These footway improvements/reinstatement works shall include details of materials (including the use of high quality material including natural stone where appropriate and in line with the Poland Street Zone Public Realm Strategy (2022);
- Dropped crossings to facilitate entrance to the car parking spaces
- Introduction of Traffic Regulation Orders to the south side of Jersey Street to prohibit parking and allow loading/unloading; and
- Introduction of Traffic Regulation Order to introduce No Loading restrictions on the bend on the southern side of Jersey Street in the interest of safe transit of passing vehicles.

The approved scheme shall be implemented and be in place prior to the first occupation of the residential element of the development and thereafter retained and maintained in situ.

Reason - To ensure safe access to the development site in the interest of pedestrian and highway safety pursuant to policies SP1, EN1 and DM1 of the Manchester Core Strategy (2012).

39) Notwithstanding the TV Reception Survey, stamped as received by the City Council, as Local Planning Authority, on the 13 May 2022, within one month of the practical completion of the development, and at any other time during the construction of the development if requested in writing by the City Council as Local Planning Authority, in response to identified television signal reception problems within the potential impact area a study to identify such measures necessary to maintain at least the pre-existing level and quality of signal reception identified in the survey carried out above for the development shall be submitted for approval in writing by the City Council, as Local Planning Authority. The measures identified must be carried out either before the development is first occupied or within one month of the study being submitted for approval in writing to the City Council as Local Planning Authority, whichever is the earlier.

Reason - To provide an indication of the area of television signal reception likely to be affected by the development to provide a basis on which to assess the extent to which the development during construction and once built, will affect television reception and to ensure that the development at least maintains the existing level and quality of television signal reception - In the interest of residential amenity, as specified in policy DM1 of Core Strategy.

40) Prior to the first occupation of the residential element, the installation 2 7kw fast charging electric car charging points to the disabled bays, as shown on drawing DR-A-002100-A stamped as received by the City Council, as Local Planning Authority, on the 13 May 2022, shall be implemented and remain available for as long as the development is in.

Reason - In the interest of air quality pursuant to policies SP1 and EN16 of the Manchester Core Strategy (2012).

41) Prior to the first occupation of the development hereby approved, details of bird and bat boxes to be provided (including location and specification) for the development shall be submitted for approval in writing by the City Council, as Local Planning Authority. The approved details shall then be implemented within a timescale to be agreed in writing with the City Council, as Local Planning Authority.

Reason - To provide new habitats for birds and bats pursuant to policies SP1 and EN15 of the Manchester Core Strategy (2012).

42) Notwithstanding the General Permitted Development Order 2015 as amended by the Town and Country Planning (Permitted Development and Miscellaneous Amendments) (England) (Coronavirus) Regulations 2020 or any legislation amending or replacing the same, no further development in the form of upward extensions to the building shall be undertaken other than that expressly authorised by the granting of planning permission.

Reason - In the interests of protecting residential amenity and visual amenity of the area in which the development is located pursuant to policies DM1 and SP1 of the Manchester Core Strategy.

43) Prior to the first occupation of the development, a signage strategy for the entire buildings shall be submitted for approval in writing by the City Council, as Local Planning Authority. The signage strategy will include timescales for implementation.

The approved strategy shall then be implemented for the development and used to inform any future advertisement applications for the building.

Reason - In the interest of visual amenity pursuant to policies SP1 and DM1 of the Manchester Core Strategy (2012).

44) All windows at ground level with the exception of the WC and, unless shown otherwise on the approved drawings detailed in condition 2, shall be retained as a clear glazed window opening at all times and views into the premises shall not be screened or obscured in any way.

Reason - The clear glazed window(s) is an integral and important element in design of the ground level elevations and are important in maintaining a visually interesting street-scene consistent with the use of such areas by members of the public, and so as to be consistent with saved policy DC14 of the Unitary Development Plan for the City of Manchester and policies SP1 and DM1 of the Core Strategy.

45) The development hereby approved shall include for full disabled access to be provided to the internal courtyard and communal walkways and via the main entrances and to the floors above.

Reason - To ensure that satisfactory disabled access is provided by reference to the provisions Core Strategy policy DM1.

46) No doors to commercial units (other than those designated as fire exits) shall open outwards onto adjacent pedestrian routes on Jersey Street.

Reason - In the interest of pedestrian safety pursuant to policy DM1 of the Manchester Core Strategy (2012).

47) All tree work should be carried out by a competent contractor in accordance with British Standard BS 3998 "Recommendations for Tree Work".

Reason - In order avoid damage to trees/shrubs adjacent to and within the site which are of important amenity value to the area and in order to protect the character of the area, in accordance with policies EN9 and EN15 of the Core Strategy.

48) No development other than Enabling Works as set out below:

1. Site hoarding
2. Site clearance (including demolition of the existing buildings) and vegetation removal
3. Archaeological investigation works
4. Site remediation
5. Site investigation

shall be carried out pursuant to this permission if the contract for the construction and completion of the building hereby permitted has not been let by 18 months post decision notice date and evidence provided to the reasonable satisfaction of the City Council, as Local Planning Authority.

b) Should the construction contract not have been let with suitable evidence provided to the LPA by 18 months post decision notice date, any development activities on the site shall cease and no further development permitted by this planning permission shall be carried out. In this event, no later than 18 months post decision notice date, a scheme shall be submitted to the City Council, as Local Planning

Authority, setting out how the site shall be landscaped and maintained and thereafter the site shall be landscaped and managed in accordance with the scheme that has been approved by the City Council, as Local Planning Authority. The approved scheme shall be implemented within two months of approval.

Reason - In the interest of visual amenity of the conservation area pursuant to policies SP1, EN3 and DM1 of the Manchester Core Strategy (2012).

Informatives

Building Regulations 2010

This permission does not grant approval under Building Regulations.

Street Naming & Numbering Requirements

Manchester City Council is responsible for allocating street naming and numbering within Manchester for new developments or property conversions. Individuals or businesses are not permitted to allocate their own property numbers, building or street names.

If your development includes the creation of new dwellings (either new build or conversion of existing buildings), creation of new commercial properties or the subdivision of existing properties you must ensure that you request new or changes to addresses through us so they can be officially allocated and registered in accordance with the Public Health Act 1925 Sections 17-19 & Greater Manchester Act 1981 Section 22.

Failure to do this may result in difficulties for the developer/occupier when requiring services such as connections to utilities, phone lines and postal services and may delay your development.

You can apply online at the following address:

http://www.manchester.gov.uk/info/100011/roads_parking_and_transport/1988/naming_and_numbering_of_houses_buildings_streets_and_roads/2

Mining Information

The proposed development lies within an area which could be subject to current coal mining or hazards resulting from past coal mining. Please read the Standing Advice from the Coal Authority in Appendix A.

It is expected that all modifications / improvements to the public highway are achieved with a maximum carbon footprint of 40%. Materials used during this process must also be a minimum of 40% recycled and fully recyclable. Developers will be expected to demonstrate that these standards can be met prior to planning conditions being discharged. The developer is to agree the above with MCC's Statutory Approvals and Network Resilience Teams post planning approval and prior to construction taking place.

Regarding S278 agreements a deposit is required to begin an application, additional costs will be payable and are to be agreed with S278 team. A S278 is required for works to the adopted highway, minimum standard S278 technical approval timescale is between 4-6 months, TRO's can take 10-12 months. An independent 'Stage 2' Road Safety Audit will be required and the design may require changes if any issues are raised with all costs attributable to the Developer.

You should ensure that the proposal is discussed in full with Building Control to ensure they meet with the guidance contained in the Building Regulations for fire safety. Should it be necessary to change the development due to conflicts with Building Regulations, you should also discuss the changes with the Planning team to ensure they do not materially affect your permission.

The applicant/developer is advised to contact the Canal & River Trust Infrastructure Services Team on 01782 779909 or email Enquiries.TPWNorth@canalrivertrust.org.uk in order to ensure that any necessary consents are obtained and the works comply with the Canal and River Trust Code of Practice affecting the Canal and River Trust to ensure the water ways are protected and safeguarded.

The applicant/developer is advised to contact the Canal & River Trust Utilities Team at the utilitiesenquiry@canalrivertrust.org.uk to discuss the acceptability of discharging surface water from the site to the adjacent canal in order to ensure that any necessary consents are obtained. Please be advised that the Trust is not a land drainage authority, and such discharges are not granted as of right- where they are granted, they will usually be subject to completion of a commercial agreement.

Date: 10 January 2023

Signed: 

Julie Roscoe
Director of Planning, Building Control & Licensing

Manchester City Council, P O Box 532, Town Hall, Manchester M60 2LA

Notes

1. This permission refers only to that required under the Town and Country Planning Act 1990 does not include any consent or approval under any other enactment, byelaw, order or regulation.

2 If the applicant is aggrieved by the decision of the local planning authority to refuse permission or approval for the proposed development, or to grant permission or approval subject to conditions, they may appeal to the Secretary of State in accordance with Section 78(1) of the Town and Country Planning Act 1990 within six months of the date of the notice of the decision.

The Planning Inspectorate have introduced an online appeals service that can be used to make appeals online. This service is available through the gov.uk website – www.gov.uk/appeal-planning-decision The Inspectorate will publish details of your appeal on the internet. Alternatively If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State has power to allow a longer period for the giving of a notice of appeal but they will not normally be prepared to exercise this power unless there are special circumstances that excuse the delay in giving notice of appeal.

If you intend to submit an appeal that you would like examined by inquiry then you must notify the City Council (planning@manchester.gov.uk) and the Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. Further details are on GOV.UK.

3. The statutory requirements are those set out in Section 79(6) of the Town and Country Planning Act 1990, namely Sections 70(1) and 72(1) of the Act.

4. If either the local planning authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that they can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990

5. In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to them. The circumstances in which such compensation is payable are set out in Section 114 of the Town and Country Planning Act 1990.

Appendix A

The Coal Authority

STANDING ADVICE - DEVELOPMENT LOW RISK AREA

The proposed development lies within a coal mining area which may contain unrecorded coal mining related hazards. If any coal mining feature is encountered during development, this should be reported immediately to the Coal Authority on 0345 762 6848.

Further information is also available on the Coal Authority website at:

www.gov.uk/government/organisations/the-coal-authority

Standing Advice valid from 1st January 2023 until 31st December 2024
