Comment: Residents of the area will benefit greatly from an affordable local supermarket.

I grew up on Nell Lane Estate, attended Chorlton High (then Oakwood) and have have been employed by a local school (Lancasterian) for more than 13 years. I would welcome an affordable supermarket in the area, as would many other local people.

The residents of Nell Lane Estate and Mersey Bank Estate have never had sufficient local amenities, this development will go some way towards correcting that.

I hope traffic calming measures will be implemented alongside the construction of this much needed store, as school-run traffic is already an issue in the area.
