DISCHARGE OF CONDITIONS

Condition 3c – Sample Panels and Quality Management Plan

Condition 3c requires the submission of sample panels and quality control management strategy to MCC, stating:

The sample panels and quality control management strategy shall then be submitted and approved in writing by the City Council as local planning authority in accordance with the programme and dwgs as agreed above.

Following a site visit by MCC on 5th August 2022, MCC confirmed their approval of the VMU and six sample panels showing the three previously approved brick types each in a light and dark mortar.

As per the Sample Schedule, submitted to discharge Condition 3(a), there are two outstanding samples. The Aluminium Curtain Walling sample and the Cladding Panel sample which will be provided in due course, following the appointment of an aluminium cladding subcontractor and curtain walling subcontractor.

In reviewing the information detailed above, I trust you have all the information that you require to validate this application and approve the details associated with the discharge of Condition 3c pursuant to planning permission 127317/FO/2020. However, should you require any further information, please do contact myself or Amy Gaskell (amy.gaskell@turley.co.uk).

Yours sincerely
