Part 2 – Particulars of decision

Manchester City Council gives notice that the development referred to in Part 1 has been **Refused** in accordance with the application and plans submitted for the reason(s) listed below.

Article 35 Declaration

Officers have worked with the agent in a positive and proactive manner based on seeking solutions to problems arising in relation to dealing with the planning application. Significant issues have arisen during the consideration of this application and a satisfactory resolution has not been reached.

Reason(s) for decision

1) The proposed structure, by reason of its size, height and siting on the public footpath in a prominent position would create a visually discordant and obtrusive feature in the street scene which would create an appearance of street clutter detrimental to the visual amenities of the area.

As such the proposal is contrary to policies SP1 and DM1 of the Manchester Core Strategy, saved Unitary Development Plan policies E3.3, DC15.1 and DC15.2,

paragraph 132 of the National Planning Policy Framework and paragraph 2.42 of the Guide to Development in Manchester Supplementary Planning Document (2007).

2) The proposed structure, by reason of its size, height and siting on the public footpath in a prominent position would reduce the availability of pedestrianised footways to an unacceptable degree, thereby negatively affecting the accessibility and residential amenity of the area.

As such, the proposal is contrary to policies SP1 and DM1 of the Manchester Core Strategy, saved Unitary Development Plan policies DC15.1 and DC15.2, paragraph 132 of the National Planning Policy Framework, paragraph 2.42 of the Guide to Development in Manchester Supplementary Planning Document (2007) and chapters 3 and 4 of the Design for Access 2 (2003).

However, if an enforcement notice has been served for the same or very similar development within the previous 2 years, the time limit is:

- 28 days from the date of the LPA decision if the enforcement notice was served before the decision was made yet not longer than 2 years before the application was made.

In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase their interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990

5. In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to them.
