Commenter Type: Group

Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: I Object to the construction of Lidl on Mauldeth Rd West because of traffic concerns pollution and safety of school children There are three schools very close to the junction of Nell Lane and Mauldeth Rd West. The proposed entrance on Nell Lane is only a few metres from the traffic light junction this will cause back up on both major roads and pollution. A heavy number of children and families cross these roads to go to school or into Chorlton Park. I am also very concerned about the amount of traffic on Nell Lane which I live on as it is already a rat run for traffic. I strongly object to this proposal.
