

- Please note that there are areas with limited access. Some areas may differ from the survey information. Structural Slab not surveyed, dimensions to be checked on site prior to construction. Proposals subject to detailed site investigation and opening up works.
- All dimensions to be checked on site and any discrepancies to be highlighted prior to construction.
- Pull Mail Out is Grade II Listed. If in doubt about any element of the works, please consult the Architect before proceeding. Any proposed works that deviate from the drawing are to be reviewed by the Architect prior to carrying out these works.
- Special care to be taken when working adjacent to heritage features such as mosaic tiles or brick floors to start cores, so as not to disturb or damage these features. Ensure adjacent elements are not damaged.
- All Dimensions to new curtain wall elements shown indicatively. Curtain wall set-out to align with replicate set-out of replacement/existing curtain wall.
