Comment Details

Commenter Type: Neighbour

Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: I am concerned that the traffic down sandy lane will increase if the Lidl is built. On some days the traffic can come to a standstill as cars can't get through due to parked cars. Planters was supposed to be put in on sandy lane but plans were changed at the last minute. (I now realise the hidden agenda I) I now realise that this is so the Lidl traffic can come up and down sandy lane. This will increase pollution on sandy lane which has a nursery and lots of children walking to school. I thought the plan was to increase cycling in Chorlton but I feel Lidl will increase traffic. I support cheaper supermarkets (I shop at Aldi) . I have lived on sandy lane for 20 years and the volume of traffic has significantly increased. I would support the application if the planters were put in on Sandy Lane.
