

URGENT STATEMENT REGARDING 20 KINGS CLOSE M18 8TB

This statement accompanying the application for the single-storey side extension has been written for two reasons.

Firstly the accommodation is urgently required for medical reasons as explained in the letter (23-01-27 MEDICAL LETTER) written by Mrs Ahmed-Algedawy's doctor, at the Ailsa Craig Medical Practice and signed by Dr Neil Bates. As a consequence of which the application has been made on the basis that the planning fee is waived.

Secondly in view of the urgency and need it is requested that the planning authority process and determine the application as speedily as possible to minimise the physical difficulties experienced by the client.
