Comment Reasons:

Comment: I have read the accompanying documents relating to traffic and disagree that there will be little impact on the area.

I am not against some development on this site however I feel that the proposed supermarket is too big. It has been deliberately designed at this size to attract shoppers travelling by car into the area. It will bring considerable extra unnecessary car traffic into the area. Roads in the area are inadequate to safely cope with additional traffic particularly with the two schools so close by.
