Comment Reasons:

Comment: My child attends Chorlton High School. I'm concerned about traffic and safety in relation to road traffic and volume of traffic on the road. My child's route to school leading on to St Werburghs Rd is busy as it is. I'm concerned about the impact of Lidl generating more traffic around the school vicinity.

I'm also concerned about the Lidl carpark proximity to school entrances and exits. We need safety for children as a top priority. The area is constrained enough with traffic.

I'm also concerned about the impact more cars will have on the children's well-being - air and noise pollution.
