Statement of Noise Mitigations for

Admiral 39-41 Wellington House,

Manchester.

M1 1LQ

I am the Regional Operations Director for Luxury Leisure/Talarius Ltd. I have worked for the business for 20 years and have held my current post since 2016.

Among the venues for which I have responsibility is the Adult Gaming Centre at Admiral 39-41 Wellington House, Manchester M1 1LQ.

I confirm that the venue has not received any complaints of excessive noise levels since its opening in March 2019.

I am able to confirm the position from my own knowledge and having spoken to the venue and area managers and from interrogating the venue's records.
