

Pioneer House High School

Transport Statement

In relation to the Proposed New Building

- Currently, the school has 129Nr SEND pupils on Roll. The school is required to accommodate additional 40Nr pupils from September 2023.
- The proposal comprises of a 3-classroom standalone building which will provide accommodation for the additional 40Nr.
- The number of available vehicle parking, drop-off and servicing areas will remain as existing.
- The increase in numbers accessing the school will be small in percentage terms, therefore the proposal has not made any changes to the travel strategy for the school.
