Comment Reasons:

Comment: Whilst I support the application, I ask sincerely that you take the opportunity to install speed bumps on both sides of Mauldeth Road West from Chorlton High School South to Barlow Moor Road junction and vice versa. The speed limit (20mph) is not currently observed by the vast majority of vehicles and there are 3 schools on this stretch of road. As a cyclist commuting along this road twice a day, I can vouch for the dangerous speeds of cars and vans I encounter every single day.

Many thanks
