Engineering works to form underground drainage connection from the railway line including the creation of an outfall/headwall

Reference number

133209/FO/2022

Date of decision (date must be pre-application submission)

17/03/2022

Please state the condition number(s) to which this application relates

Condition number(s)

4

Has the development already started?

- ☐ Yes
☒ No

Part Discharge of Conditions

Are you seeking to discharge only part of a condition?

- ☐ Yes
☒ No

Discharge of Conditions

Please provide a full description and/or list of the materials/details that are being submitted for approval

Landscape and Ecological Management Plan (Environmental and Social Management Plan) - revised December 2022 to address reasons for refusal in CDN/22/0791. Changes are:

Section 6.4 of the LEMP has been amended, deleting some of the previous text and making reference to the Invasive Species Management Plan (ISMP) that is now included as an appendix document. These changes are intended to respond to the first point in the attached Decision Notice.

The landscape softworks plan (individually attached and appended (Appendix B) to the attached pdf compiled version of the LEMP) has been revised with amended tree species to respond to the second point in the attached Decision Notice.

In addition further changes are:

- . Softworks drg 741000 revised to remove areas of the proposed woodland planting that covers the access path and maintenance route for tankers. This resulted in reduced quantities of plant numbers as shown in the planting schedule;
- . Native woodland Shrubs was renamed to 'woodland shrubs' for clarity; and
- . LEMP updated to include revised softworks plan.

Site Visit

Can the site be seen from a public road, public footpath, bridleway or other public land?

- ☒ Yes
☐ No

If the planning authority needs to make an appointment to carry out a site visit, whom should they contact?
