Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: It's an awful spot to build a supermarket. Nell Lane is already narrow and overcrowded when traffic for 3 schools and used as a main cut through for traffic from the M60 and to Didsbury from Manchester.

If anything, we need speed bumps on Nell Lane to slow traffic around Loreto High School. A new Lidl would simply increase traffic and huge trucks that don't tend to pass by this section will only add to the traffic and pollution.

Seriously worrying as we've had numerous children be hit by cars on Mauldeth Rd West over the years and this plan will only add to the danger.

Struggling to see the positives, especially as we have 3/4 co-ops within walking distance, a Morrisons, 2 tescos and an M&S in addition the various local grocery stores that will be hard hit by this.

Ridiculous plan that really doesn't need to go ahead. Surely housing would be a better way to go if it needs to be built on.
