Comment Reasons:

Comment: Would be far better as affordable housing for key workers.

So many key workers I know or friends of friends are moving out (out of Manchester) as they can't afford a big enough home when they have a family in Chorlton.

The area needs another shared ownership development like Redwing/Woodpecker, Darley Avenue (M21 7JS) with priority for key workers.

Probably not allowed but many teachers/nurses/SW/firefighters who are born and bred in Chorlton are moving out which seems a real loss to the Community.
