Address: Not Available

Comment Details

Commenter Type: Neighbour

Stance: Customer made comments in support of the Planning Application

Comment Reasons:

Comment: I have lived at my address for over 20 years and would welcome the new store in our neighbourhood. At a time when we need positive initiatives for our economy, this proposal is a much needed boost for the community.

On a personal level, it would be so nice to walk to a store rather than getting into the car to the nearest store.
