

NOTES:

This drawing is not a working drawing, and is only for the purpose of the following -

A - Planning Submission
B - Building Regulations Submission

The main contractor is responsible for informing the lead designer of any discrepancy on, or between, this drawing and any other relevant document.

All existing walls, foundations and details or other structural items are to be confirmed load bearing and adequate for increased loading where relevant prior to work commencing.

Any existing walls to be removed are to be confirmed non-loadbearing prior to removal.

Boundaries, angles, and dimensions are to be checked by the main contractor prior to work commencing.

Written dimensions only to be used from this drawing, if in doubt consult the lead designer for clarification.
