| 3.2 Part or parts of the premises to which the fire risk assessment applies:                 | The fire risk assessment covers all areas for which the Client is responsible, excluding those areas detailed in the observations section of the fire risk assessment report.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  |            |
| <b>Part 4.</b><br>4.1 Brief description of the scope and purpose of the fire risk assessment | Ark Workplace Risk will carry out a fire risk assessment to meet the requirements of relevant national life safety legislation. Ark Workplace Risk will inspect the site, discuss fire safety provisions with onsite staff (if applicable) and prepare a fire risk assessment report. The fire risk assessment report will detail the significant findings of the assessment. Where necessary, the report will provide recommendations for additional measures the Fire Risk Assessor deems necessary to reduce or maintain risk from fire at a tolerable level. The fire risk assessment covers all areas for which the Client is responsible, excluding those areas detailed in the observations section of the fire risk assessment report. |            |
| <b>Part 5.</b><br>5.1 Date assessment undertaken                                             | Effective date of the fire risk assessment                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     | 15/02/2021 |
| <b>Part 6.</b><br>6.1 No later than 12 months from certification                             | Recommended date for review of the fire risk assessment                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        | 14/02/2022 |
