Failure to obtain any necessary planning permission prior to carrying out a material change of use or physical development could result in enforcement action being taken, which can have serious implications.

This permission does not grant approval under Building Regulations.

In the event that ground and/or groundwater contamination and/or ground gas are encountered on the site before the development is occupied, the developer is advised to cease works and contact Environment On Call on 0161 234 5004 or email contact@manchester.gov.uk for advice on how to proceed.
