What was the original application type?

Householder planning permission

For the purpose of calculating fees, which of the following best describes the original development type?

- ☒ **Householder development:** Development to an existing dwelling-house or development within its curtilage
☐ **Other:** Anything not covered by the above category

Non-Material Amendment(s) Sought

Please describe the non-material amendment(s) you are seeking to make

- Kitchen window and basement door moved to the right by approximately 350mm
- Stairs to the basement updated in line with the new basement entrance
- Side cladding updated from light larch to charred black larch

Please state why you wish to make this amendment

Amendment is due to the structural retaining wall required between the two properties along the boundary to form the basement stairs. This requirement means the basement entrance door needs to be moved, out of line with the windows above. Moving the kitchen window, means it aligns with the basement door, but allows adequate space for the kitchen units to work.
